How To Make A Report:

In the event that you suspect a child or vulnerable adult has been abused, it is important that you contact the appropriate authorities immediately. Please take the following steps:

1. Call the Nebraska Child Abuse Hotline or your local law enforcement agency.
2. After being reported to civil authorities, contact your local Pastor or Superintendent who will report the matter to Diocesan authorities.

A report to the Diocese does not relieve persons from reporting abuse against a minor as required by Nebraska law.
